## 47 Friends Sonoma County 2010 Pinot Noir

At a gathering of 47 friends, we unanimously acclaimed this Sonoma County Pinot Noir for 47 reasons - all of them good. You will not be disappointed in this Sonoma County Pinot Noir! The fruit was sourced from long-standing vineyards in the county. The wine is a bright ruby color, with a lovely nose, offers delicacy and finesse, complexity and layers of fruit, excellent mouthfeel and a long, balanced finish.

With longtime friends, the relationship is rich and deep. Some friends are silky and smooth, some are comfortable as an old leather jacket. Some are earthy, and some are full of rich spice. Some friends sparkle with laughter and enthusiasm and some are deep pools of mystery. Some friends you don't see for a long time, but when you do, it's just like old times.
